Dear P.]

Heartfelt thanks on behalf of the International League for the Protection of Horses (ILPH) and the Cart Horse Protection Association (CHPA) for the generous discount you gave on accommodation for the candidates on the ILPH International Training Programme, which was held in April 2003. Your support of our work and vision is truly appreciated.

I have enclosed a few press clippings for your records, which will give you an idea of how the training course went and the work that was done during the three weeks. We look forward to the next two weeks of training from 7-18 July. I am sure it is going to be rather challenging with the Cape Town winter settling in.

Once again, thank you for your ongoing support of our work with the working cart horses and the carting community on the Cape Flats.

Kind Regards

11
