**Re: Resource mobilisation partnership with River lodge Back Packers
(donation in kind to the SDRC for distribution to deserving
organisations)**

Thank you for your time, willingness and effort to partner with the SDRC in distributing gifts in kind to deserving and in-need organisations in the surrounding community.

As you are aware, the SDRC is committed to harnessing and mobilising a wide range of resources from urban centers to peri-urban and rural communities. Gifts in kind such as furniture, equipment, appliances and computers to mention a few, can be optimized by startup or existing organisations, preventing these items from landing up on landfill areas, extending there life span and usefulness as well as reducing unnecessary expenditure by Non Profit Organisations.

The 12 mattresses donated by you were delivered to the Wolwekloof Youth Academy located near Ceres (See attached brief summary of the project). The other items (71 pillows, 5 Duvets and covers, 25 Pillow covers, 26 Mattress covers) will be distributed to other organisations in need of these.

Your efforts contribute towards the SDRC's focus; being the strengthening of existing Community Based Organisations, increased private public non profit sector partnerships, more effective resource integration and growing innovative solutions to socio-economic challenges that negatively effect vulnerable children, youth and the elderly in rural areas.

There is no doubt that in working together, we can certainly do more.

Kind regards

Hudson McComb
